We have facilitated two Interfaith Action events. The first was conducted in conjunction with 901Ummah and held at the Metropolitan Inter-Faith Association. 41 Bridge Builder students were involved in a facilitated discussion around Islam while packing shelf-stable meals for MIFA meals on wheels recipients.

The second was in partnership with Multinational Ministries. 20 Bridge Builder students created cards to be delivered to MIFA's meals on wheels recipients, while walking through a facilitated conversation with students of refugee families.

In both cases, Bridge Builder students were paired with a student of the partner organization to complete a service project.

**Have there been any unexpected roadblocks or challenges? If so, what adjustments have you made to the scope of work and/or timeline?**

Scheduling of events has been a challenge. Due to scheduling conflicts with various congregations, we have only been able to schedule two events for the Fall 2018 semester. We are working currently to schedule six events in the Spring 2019 semester.
