In keeping with the grant requirement, does your organization have an updated, reviewed WHEREtoGIVEmidsouth profile?

Yes

To date, what is the amount of GiVE 365 grant funds used?

\$2,225.00

What progress has been made to date in reaching the goals set forward for the above referenced grant? If applicable, include the number of people served and any relevant outcomes.

We have already confirmed five “Meet You There Project” performances/moderated discussions with St. John’s Methodist Church, Evergreen Presbyterian Church, Burkle at the University of Memphis, and Open Heart Spiritual.

We have created topics for the organizations to choose from as our predominant discussion. The topics are: “The Impact of Politics on Queer Youth”; “Decoding the Language of the Queer Community” (i.e., breaking down terms, definitions, and walls); and “Being Welcomed in Your Family, Not Just Tolerated.”

Organizations can choose one of these topics in a 30-, 60-, or 90-minute format, and then we will schedule the date to come to the organization. There is no need for a performance area, all the organization needs to provide is a space big enough to host the number of people they are expecting. This can be done in a classroom, multi-purpose room, or stage. By early next week there will be a form available on our web site for organizations to fill out to request a performance.

We have a core of eight performers, four administrative/PR people, and six people contributing creatively. All will be involved in the performances and talk-backs that they are available for.

Now that our time period designated for the creative work has begun, it has been exciting to watch the process. Attached are some photos of one of our more recent devising workshops.
