Has your organization ever received a GiVE 365 grant?

«Answer»

Please provide a brief 2-3 sentence summary of your project for use in communications with GiVE 365 members and for The Finals event printed program, should your application be chosen. (The description may be edited by staff. A Finals event program example can be found on the GiVE 365 webpage.)

Application #: «applicationId»

Please describe the project or program for which you are seeking funding and how it addresses the grant theme, Pathways to Success: programs that provide workforce training and career development.

«Answer»

What is the target population(s) addressed by your program or project?

«Answer»

How does your program specifically address the needs of this target population? Do you partner with any other organizations to further address these needs?

«Answer»

During the grant period, approximately how many community members will be served by this project or program?

«Answer»

The grant period extends from May 2019 to April 2020. Please provide a timeline or important dates for the proposal within this date range.

«Answer»

Please detail the staff members and/or volunteers who will run this project or program during the grant period.

«Answer»

How and when will you evaluate your program or project?

«Answer»

Define success for your project by the end of the grant period. What goals do you have to measure effects or outcomes for participants?

«Answer»

Define long-term success for your project. What do you expect the long-term effects or outcomes to be for participants?

In order to keep GiVE 365 members informed of the grant's progress, grantees are required to provide brief updates that can be shared with members three times in the twelve-month grant period. Will you be able to provide updates on the project that can be shared with GiVE 365 members through some or all of the following methods: social media, photos/videos, site visits, etc.? Creativity is highly encouraged. Please explain how you plan to share about the project.

«Answer»

Please remember to provide a project budget by uploading it in the Application Uploads table once you have saved this form.
